I can tell you that few, if any, people work harder on this issue than Grant. Between his frequent research, appearance in FOIA court, his writing, his polling and his 5:00 a.m. Grant has written two unofficial histories of AIPAC, and many other books. His organization is constantly working on Freedom of Information Act requests and uncovering important documents, especially on Israel's nuclear program.. THE ISRAEL LOBBY AND AMERICAN POLICY Grant F Smith Dale Sprusansky: Grant Smith is the director of the Institute for Research: Middle Eastern Policy—again, the co-sponsor of today's event.. He's the author of the 2016 book Big Israel: How Israel's Lobby Moves America, which covers the history, functions, and activities of Israel affinity organizations in America.
